INTRODUCING THE LOTUS DEVELOPER NETWORK™

Visit www.lotus.com/developernetwork

The One Web Portal for all your Application Development needs.

Submerge yourself in the latest technical info on the hottest IT topics!

MAKE A SPLASH IN APPLICATION DEVELOPMENT

**Build and deploy faster.
Make better decisions.**

In your world, it's sink or swim. You're constantly under pressure to develop the next killer app — in less time, at a smaller budget. NOW THERE'S HELP. The Lotus Developer Network™ shows you how to extend your existing infrastructure, without over-extending your resources.

It's designed especially for application developers like you. A lifeline of tools, online training, industry articles, discussion forums and "zones" of information that speak your language. PRACTICAL, TECHNICAL KNOW-HOW on the issues and solutions you're working on today. Enterprise integration, self-service Web application design, knowledge management, distributed learning — ALL THE CRITICAL TOPICS.

Jump in.
Here's what you'll get:

- **One Central Source**
- ONLINE technical INFORMATION for Application Developers
- TOOLKITS and downloadable CODE
- Key LINKS to IBM and other developer Web sites

- **The Hottest Topics**
- Evolving technologies: XML, JAVA, COM, CORBA
- Knowledge management: what it means for application developers
- e-business: find out how to build connections — any platform, anywhere

- **At Your Desk**
- Attend online seminars at your convenience
- Learn from others by joining our application developer community
- Hear from Lotus, IBM and other industry experts
